My condo, which is located in Poland, Ohio, is going on the market by owner today. It has a total of approximately 2200 square feet and has a huge great room with a vaulted ceiling and stone fireplace. Having an open floor plan makes it the perfect place to entertain a large group. There is a foyer, laundry room, sunroom, large first floor master bedroom with a walk in closet, two full baths, one half bath, full basement and double car garage. The master bath is complete with a walk in shower and a jacuzzi. The bedroom upstairs is large enough to have a sitting area and has a walk in closet. The condo has new carpeting throughout. It was just professionally painted and has brand new appliances. You will love the prestige neighborhood and imagine never having to do yard work again! Be the first to view this lovely condo and you may soon be calling it "home". You may private message me for a showing or email to ruthidolovy@hotmail.com.
